Mr. and Mrs. Collins O'Brien
101 Hepplewhite Drive
Hendersonville, Tennessee

Dear Collins and family:

Thank you so much for being so very kind to me during the recent meeting. I thoroughly enjoyed the opportunity for us to be associated and especially for me to get better acquainted with all the family.

I treasure my friendship with Collins during the past years very greatly. It was such a pleasure to visit in your home on Sunday and to renew our acquaintance and remember the people we had known in Lexington.

Billie, you are a wonderful mother and wife and I know that the family depends on you greatly. It was so nice to become better acquainted with you and to see the happy home that you have. You are all making a distinct contribution to the Hendersonville congregation. I know from all the remarks that I heard that no family is more highly respected than you. I send all of you my very best wishes.

It was a special pleasure to have Collins arrange for a car during my week with the church there. It made it so convenient for me and the fulfilling of all my scheduled appointments. Thank you again for all you did to make the week so joyful.

Your brother,

John Allen Chalk
